SUSTAINABILITY OF SAFE AND CREATIVE LIFE - AGENDA 2030

UNESCO EDUCATION 2030

Information about our INTERNATIONAL CHARITY PROJECT **GOLDEN BLOT – WE PAINT FOR BETTER LIFE** supporting implementation of UN – AGENDA 2030 and UNESCO EDUCATION 2030 agenda and other supporting programs and projects.

The project has the auspices of the **MINISTRY FOR FOREIGN AFFAIRS** and the **MINISTRY FOR LOCAL DEVELOPMENT** of Czech Republic

The Project focuses on supporting four main outputs:

- 1.- support for AGENDA 2030 – engaging world VIP personalities, which as leaders/faces of their foundations- support individual areas of human life on the planet, that is included in 17 points of AGENDA 2030
- 2.- support for UNESCO EDUCATION 2030 and other UNESCO documents and projects
- 3.-support for the output of the EUROPEAN FUND FOR SUSTAINABLE DEVELOPMENT
- 4.- implementation and utilization of CZECH UNIQUE PATENT - „PAINTING TECHNIQUE FOR BLIND,, as educational activity of EDUCATION 2030 agenda

THE PROJECT IS REALIZED BY:

- 1.- by engaging VIPs to create greater media interest in the activities they perform, the project will raise awareness of the importance of the AGENDA 2030 implementation in the eyes of professional and, above all, the wider world public.
- 2.- proof of responsibility of Czech and Slovak politicians, companies and VIP personalities for expansion and practical use of unique Czech technique of painting for blind , as world's unique, which is our precious "duty" to expand to as many countries as possible with support of UNESCO

GOLDEN BLOT – PAINTING FOR BETTER LIFE:

The main principle of the project is the creation of painting using our unique technique, so that the paintings are painted by VIPs who can't paint, and by signing them, they create original collectible artwork. At the same time, the creation of such painting will not take long.

3. main award of each category

Each award is given by the 11 - 13 member Jury, consisting of the project executives, representatives of project partners, foundations and media partners

How we artistically cooperate with VIPs:

Two creative techniques.

We approach the VIP to negotiate the terms of painting when and where such a painting will be painted, with the direct participation of our professional painter-consultant who helps VIP with particular painting.

Exhibition and auction

In addition to self-interested bidders from the public, appeals to large commercial companies, foundations, politicians to engage actively in auctions. Support is provided by our Auction Centre in form of:

- auctioning of works of art created within the project in the world
- exhibitions of works created in the project and presentations of the GOLDEN BLOT project
- securing other works of art that are also the subject of the project auctioning
- Painting demonstrations as an accompaniment to charity social dinners
